

High-Tech Truck Wash

Whether you're after a gentle wash to protect your paint work and chrome or you've come off road and need a tough wash to remove baked on dirt and grime, our truck wash has a capacity of up to 5m and an automatic or hand wash option to suit your needs.

Our wash bays feature a low consumption system which uses a high recycled to fresh water ratio, low usage detergent and is powered by solar power.

Gold

Wash type: Thorough deep clean

Cleans: Paint, smoke stacks, wheels and tyres

Removes: Tough dirt, grime, bugs

Silver

Wash type: Quick and convenient

Cleans: Paint, wheels and tyres

Removes: Light levels of dirt and grime
